

Bal Bharati Public School, Navi Mumbai

British Council's International School Award (ISA)

June 22, 2018

The British Council has awarded Bal Bharati Public School, Navi Mumbai, with the Final Certificate for International School Award (ISA) for the period 2017-2020. The school had earlier secured the Intermediate ISA in 2016.

The British Council's International School Award (ISA) is a bench marking programme that certifies schools as having an outstanding level of support in nurturing global citizenship in young people and enriching the teaching and learning in the school. The ISA is also a leadership challenge and fosters teambuilding, innovation, and project management.

The range of schools participating in the ISA varies from the well-resourced private schools to government schools from rural areas and schools for the less advantaged communities. The ISA now has presence in 31 countries worldwide and is set to expand.

The schools that benefit the most are the ones that proactively seek to find ways and means of improving classroom transaction and would like to see positive transformational change to more innovative methods.

BBPS Navi Mumbai enrolled with British Council's International School Award (ISA) programme as part of our endeavour to incorporate progressive measures based on latest research in the field of academics, and to make education a purposeful and interesting learning process. It has been a very rewarding exercise for the students and teachers alike. The experience gained has been highly satisfying for everyone involved.
