

Bal Bharati Public School, Navi Mumbai

British Council's International School Award (ISA)

ISA Project (2015-16)

During the session 2015-16, Bal Bharati Public School, Navi Mumbai, in collaboration with Jabal Farasan International School, Rabigh, Saudi Arabia, executed a project based on Monuments of Medieval Period. Various activities were undertaken by the students of std. VI and VII of both the schools. Though separated by several thousand kilometres, students of both schools shared and exchanged their ideas and experiences during these activities through facetime and other elements of E-technology.
