

Identify the shapes and mark with X in the box

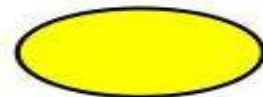

1. Which of these is a triangle?

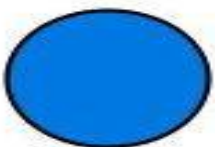

2. Which of these is a square?

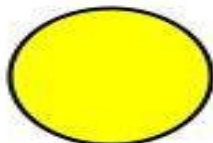

3. Which of these is an ellipse?

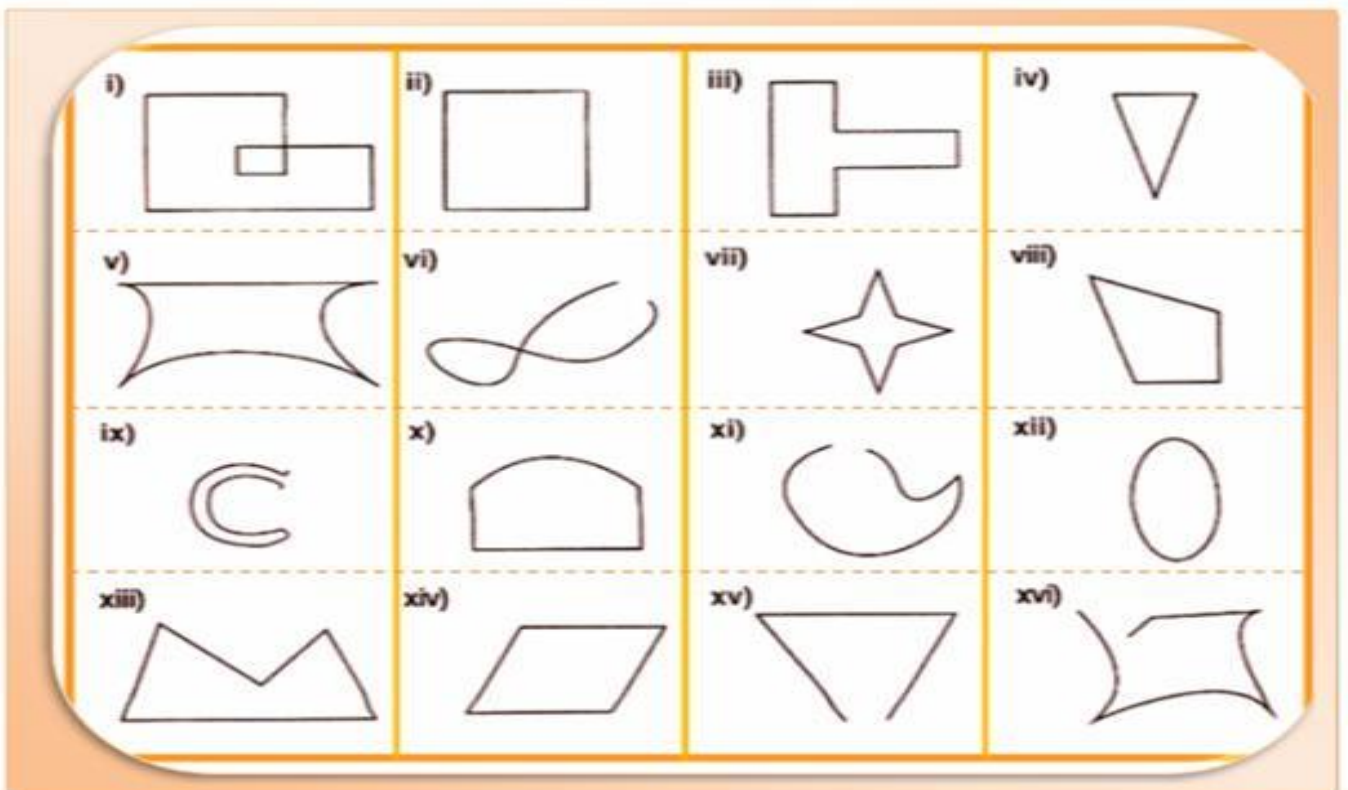

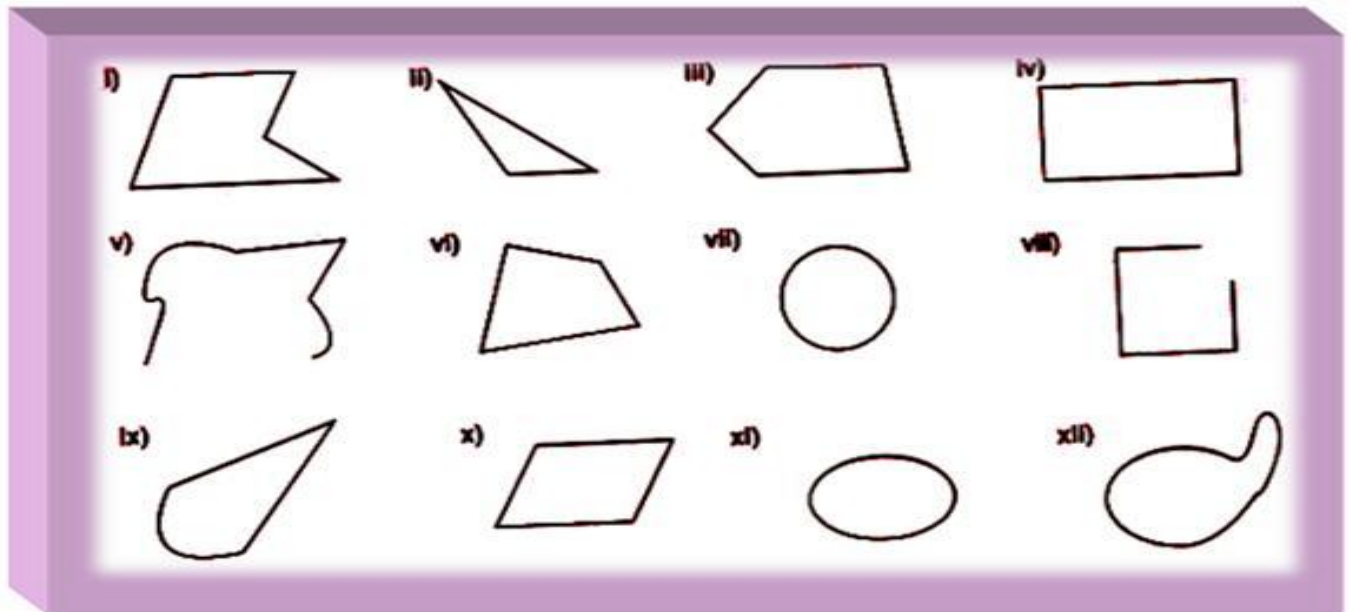

4. Which of these is a circle?

5. Which of these is a rectangle?

Tick the figures in which you can enter the pencil without crossing the line.

Fill in the table after observing your surroundings.

| Sr . no. | Objects which roll | Objects which slide | Objects which both slide and roll |
|---------------------|-------------------------------|--------------------------------|--|
| 1. | | | |
| 2. | | | |
| 3. | | | |
| 4. | | | |

Draw the following

| Objects which can roll | Objects which can slide |
|-------------------------------|--------------------------------|
| | |
| | |
