Dear Parent

7<sup>th</sup> October 2021

**Sub: Reopening of School**

As per the circular of Govt. of Maharashtra (dt.24.09.2021), the School has received the order by the Panvel Municipal Corporation on 29.09.2021 to reopen the school in their area on 4.10.2021 for Classes VIII to XII. However the situation is still not normal and we need to adhere to certain safety norms.

In view of the above permission / mandate, BBPS Navi Mumbai would like to carry out a survey to understand the willingness of the parents to send their wards to school. The link with necessary questions was provided initially to the parents of classes 9<sup>th</sup> to 12<sup>th</sup>. We would now like to take the views of the parents of Class VIII students.

Things to note are as follows.

- a) All possible safety precautions will be followed by the school authorities to let in students, teachers and other staff.
- b) School bus transport will not be provided as of now. This will be reviewed later.
- c) It is advised that the students and staff should avoid public transport.
- d) Hybrid classes are being planned.
- e) Classes IX and X are having In-person schooling in the hybrid mode. Classes XI and XII will start in the same way from 11.10.2021.
- f) Detailed instructions on the responsibility of students while attending in-person will be provided along with the exact date of start. The same has to be compulsorily followed.

**We need to maintain all these safety norms to save ourselves and our family members from this highly infectious virus.**
