DISTINGUISHED ALUMNI

Sr. No	NAME	YEAR OF PASSING	ACADEMIC/PROFESSIONAL QUALIFICATION	JOB PROFILE	ROLE OF SCHOOL	OUTSTANDING ACHIEVEMENT
1	Sohini Tagore	2013	M.Sc Medical Genetics & Genomics	Research in Genetics and Hereditary disorder	BBPS has been an integral part of shaping my childhood love for science, the science teachers helped me discover the beauty of genetics. The school also enriched me with different extra curricular activities, to increase my skillset of teambuilding, leadership and time management. I will always be glad to be a part of the Bal Bharati parivar.	Awarded the Scotland-India scholarship as part of my Master's at the University of Glasgow. Teaching kids at an NGO for 4 years during my Bachelor's.
2	Anwesh Marwade	2013	B.E Computer Science - College of Engineering, Pune University, Masters in Data Science/Machine Learning with a specialization in Computer Vision from the Delft University of Technology	Working with Computer Vision Lab at TU D	Apart from providing a high quality of educational foundation, I would rather highlight the importance of developing an eclectic selection of soft-skills through the many extra-curricular activities at which the school excels. Moreover, always having a friendly sense of competition within the classroom enabled me to understand the importance of working together as a collective in addition to persevering and working hard to achieve my individual goals.	Ranked Top-5 in Computer Vision at the Autonomous Greenhouses Challenge 2021 conducted by Wageningen University in association with Tencent Published/In Publishing a couple of research papers: Selected for the CERN OpenLab Internship programme for summer of 2020 in Geneva, Switzerland.
3	Suyash Jain	2013	C.A	Investment Banking and Capital Markets at Credit Suisse		All India 15th Rank holder at Intermediate & 31st at Final level of C.A course
