SUMMER HOLIDAY HOMEWORK 2022-23

CLASS 10

SOCIAL SCIENCE

Topic: Right to Safety: Consumer Right

Life is precious. Sometimes certain products or services pose danger to human life. Thus, there is a need to protect people and inform them about their rights as a consumer.

Make a project on the Consumer Right - Right to Safety, adhering to the following instructions:

- Hand written project, not more than 8 pages.
- Content should cover the meaning of the term consumer rights, need for consumer protection, various consumer protection acts, right to safety as right to life, case study, conclusion.
- Following pages should be added: cover page (a template with a slogan on the given topic, school name and logo, students name, class, roll no.) content page, acknowledgement, bibliography.
- To be uploaded in Google classroom as well.
