Vidyarthi Vigyan Manthan (VVM)

(India's Largest Science Talent Search Examination for New India Using Digital Devices)

Vidyarthi Vigyan Manthan (VVM) is an initiative of Vijnana Bharati (VIBHA), in collaboration with Vigyan Prasar, an autonomous organization under the Department of Science and Technology, Government of India and National Council of Educational Research and Training (NCERT), an institution under the Ministry of Education (earlier known as Ministry of Human Resources and Development). VVM is a national program for popularizing science among school students of standard VI to XI, conceptualised to identify the bright minds with a scientific aptitude among the student community.

Objective:

To create interest among students in pure science

To educate school children about India's contributions, from traditional to modern, to the world of science and technology

To provide hands-on training to students through workshops and other events

To provide mentors for preparing students to carry forward their education in the field of science

To conduct competitive tests to identify students who have a scientific bent of mind

To identify successful students at the State and National levels and felicitate them

To organise exposure visits for the winners to various R&D institutions in the country

Key Highlights

STUDENTS PARTICIPATING IN VVM SHALL UNDERGO THE FOLLOWING MULTI-LEVEL TESTING PROCEDURES :

For the winners of VVM, the program also includes organising visits to National Science Laboratories and Centres of repute and interaction with renowned scientists of the nation.

The VVM will identify Vigyan Jigyasu (विज्ञानं विज्ञासु) - Keen Knowledge Seeker of Science at National level.
