<b>NAME OF THE FUNCTION</b>	<b>DATE</b>	<b>NATURE OF PROGRAMME</b>	<b>PARTICIPATING CLASSES</b>
World Science Day	09/12/2022	Students of Class 11 A & B conducted an activity in their classroom to celebrate International science day, under the guidance of their physics teacher. An imaginary Physicist's meet was conducted with the topic Nuclear Science and the creation of the first ever atom bomb. Students enacted as Physicists like Stephen Hawking, Marie Curie, Albert Einstein, Enrico Fermi, Homi Bhabha and Robert Oppenheimer. The talk was a great learning experience for students. It was concluded that Science should be used only for the benefit of mankind and not for destructive purposes.	Class 11
