Lt. Omkar Parakh (Batch 2013-2014)

I completed my school from BBPS, Navi Mumbai, securing 90% in Class 12 CBSE Board Examination in the year 2014. I joined the Indian Naval Academy, Ezhimala in 2014. It was a 4 year training after which I got commissioned as Sub Lieutenant in the Indian navy in 2018. I received my Applied Electronics and Communication degree from JNU. After completing my commission, ab initio period, basic and advanced courses in 2019, I was posted on INS Brahmaputra as LOFAR officer which is a cadre of anti-submarine warfare. On ship we were deployed for various deployment in gulf of Oman and close to the

International Maritime borderline near Gujarat. Post completion of my first appointment I have come to anti-submarine warfare school as an instructor, where I teach LOFAR officers and sailors of Indian as well as foreign friendly nations.

My school BBPS, Navi Mumbai has played a very important role in achieving my goals. The environment and the nurturing done by the school has helped me in becoming the officer I am today. The school has always organised workshops and events for students to find out what they really want. The teachers have always been very helpful and always guided their students in every aspect of life.

Present Occupation: Researcher and Sports Nutritionist

As a BBPS, Navi Mumbai student for 12 years, right from class 1 to class 12, I had loved attending school every day. Therefore, I take this platform to express my sincere and true feelings. I am truly blessed to have had my education journey amidst a warm and loving atmosphere in BBPS, Navi Mumbai.

BBPS had been my second home during my growing-up years, a place I had always looked forward to. Quality education, a playground to play football, teachers who encouraged me to do my best and provided the ever so frequent push of ‘you can achieve anything you want, as long as you put your mind to it’, and soft skills that help us even today.

I sincerely thank my teachers and mentors for their relentless efforts. My achievements are a reflection of their efforts. If it weren't for these formative years at BBPS, Navi Mumbai, I am sure I would not have been where I am today.
