

Bal Bharati Public School Navi Mumbai

Testimonials

Ms. Shreya Banerjee
(Batch 2022-2023)

Bal Bharati Public School, Navi Mumbai has played a pivotal role in shaping me into the person I am today. The school has ensured that I grow not only academically but holistically. The hard working and dedicated teachers as well as the non-teaching staff never failed to inspire me.

I am immensely grateful towards my school for providing a vast multitude of opportunities to ensure that I step out of the school as a confident individual who can voice her opinion. Getting a chance to be a part of the junior as well as the senior Student

Council has helped me nurture my leadership and management skills. The various activities conducted by the school have helped me discover so many hidden qualities.

I am forever indebted to my teachers for their hard work, dedication, zeal and constant support. I never heard a 'no' from any of my teachers when it comes to clarifying my doubts, sometimes, even at the oddest hours of the day. My batch had to spend two of their most important school years at home due to the pandemic, but the school and the teachers had left no stones unturned to ensure that our academics were not affected in any way.

Today, as I step out of my alma mater, I extend my heartfelt gratitude towards my teachers, the Principal, Vice-Principal, Headmistress and all the non-teaching staff members for creating a wonderful school life which I am going to cherish forever. I am blessed to be a part of the Bal Bharati Parivar.

Ms. Sakshi Pandey
(Finance Analyst, Amazon U.K.)

I graduated from Bal Bharati Public School in 2016 after spending six amazing years in the school. I can proudly say that the lessons I learnt and the experiences I gained in this school, have contributed significantly in developing me into the individual I am today.

My teachers were always the pillar of support, not only throughout the school years, but also till date. The bonds I formed with my classmates have now converted into lifelong relationships.

Bal Bharati instilled in me, a foundation for not only strong academics, but also the importance of extracurricular, sports, music and much more. I can gladly say that punctuality, discipline, hardwork and gratitude are all the traits that I have inherited from BBPS which have helped me in all my endeavours, not only in India but also in the UK where I am presently living and working.

I thank BBPS, my teachers and classmates for their guidance and constant support. I also wish all the best to the students of BBPS!
