

BAL BHARATI PUBLIC SCHOOL, NAVI MUMBAI

Presentation on Economic Policies of the Government

Class -12, Section- C/D/E

Venue - respective Classrooms

Date - 11 September 2023 to 14 September 2023

As per National Curriculum Framework (NCF) 2005, an attempt is made every year to discourage rote learning and encouraged the students to discuss and present a few important Economic Policies (1990-2023) related to their curriculum.

Enthusiastic young Economists of class 12 presented policies related to current challenges such as:

Human Capital Formation- Investment in Education

Rural Development- credit and agricultural marketing policies

Demonetisation and GST

Government strategies for Sustainable Development

Govt. Employment policies for rural and urban sector

NEP-2020

Policies of G-20 summit

Critical analysis of these policies with the aspect of growth of our economy was presented effectively by the students in a very creative manner and the activity completed successfully.
