Dahi Handi	06/09/2023	<p>Dahi Handi is a vibrant and joyous festival celebrated in India, especially in the state of Maharashtra. It is a significant part of Janmashtami, the birthday of Lord Krishna. In our school this festival is celebrated with great enthusiasm and fervor, providing students with an opportunity to learn about their cultural heritage and engage in a spirit of togetherness.</p> <p>The tradition is re-enacted today with fervour, with a clay pot filled with curd or buttermilk tied at a height. Participants often referred to as 'Govindas,' form human pyramids to break the pot offering a delightful mix of tradition, cultural awareness, and teamwork. The school organized this event to instill values of unity, discipline, and respect for traditions among students.</p> <p>The tiny tots dress up in vibrant traditional attire, added to the festive spirit. The School Principal Ms Kalpana Dwivedi emphasised upon the valuable lesson the festival teaches that extends beyond the school environment and prepares students for the challenges of life.</p>	Class Nursery-12
