

EK TAREEKH EK GHANTA EK SAATH...at Bal Bharati

Public School, Navi Mumbai

Yes, this is the slogan for the Swachhta Hi Seva drive to mark the 154th birth anniversary of “The Father of the Nation”- Mahatma Gandhi.

The age-old proverb, “Cleanliness is next to Godliness” refers to the significance to keeping oneself and the surroundings physically, mentally clean and healthy. The impact of this was clearly seen today i.e. 1st October, 2023 morning when the enthusiastic students of Bal Bharati Public School at Navi Mumbai took the responsibility of cleaning the surrounding of the school with the teachers and the parents. All equipped with gloves, brooms and dust-pans the students were out to sweep the streets and make it clean spic and span the environment with full zeal and energy.

The Swachhta Hi Seva drive was a thoughtful cleanliness movement. This will help in instilling the sense of cleanliness towards society in our students who are our future citizens.

Attached are some photographs of students, teachers and parents of Bal Bharati Public School, Navi Mumbai participating in the drive.
