SUMMER HOLIDAY HOMEWORK 2024-25

CLASS: NURSERY

1.All about Myself: There are many Activities which the child likes to do independently. Encourage the child to perform such activities independently at home and click pictures while the child is engaged in these activities and paste in the boxes provided below.

Stick the photos of your ward performing any 4 activities

2. I can cook .

Flameless cooking for kids can be fun and safe. You could try making any summer drink, green salad, fruit chat, sandwiches etc...

Stick the photo of your ward while preparing any recipe.

3. Tear and Paste: There are many benefits of tearing paper, but the most important ones are Improve hand strength, Improve hand-eye coordination, Kids enjoy doing it. Children will tear and paste colorful paper and stick on the Ball using Glue/ Fevicol.

FUNNYSUNNY

- Wear summer cool clothes.
- Drink lots of water, coconut water, juices etc.
- Eat lots of summer fruits like watermelon, muskmelon etc.
- Wear a cap while going out in the sun, but do avoid going out in the sun from 12.00 noon to 6.00 in the evening.

Give them the following Activities to help the child develop their finer muscles:

- Lot of news paper tearing and
- Clay-molding activity
- Zip and unzip their school bag
- Open and close tiffin and water bottle
