

Bal Bharati Public School, Navi Mumbai

Project Name: World Book Day 2024

Date: 23.04.2024

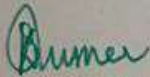

Title: World Book and Copyright Day Celebration in School

World Book and Copyright Day observed annually on April 23rd is a celebration of books, reading and the respect for and protection of intellectual property. In our school we conducted various activities to cultivate a love for reading and to create awareness about the importance of copyrights.

We kickstarted the day with an assembly followed by Drop Everything and Read Activity. Afterwards grade wise activities were conducted, viz.,

1. Design a Book cover for your chosen Book
2. Paint a scene from your favourite Book
3. Design a captivating poster to celebrate World Book Day
4. Design Titles and Synopsis for imaginary books to populate your dream library
5. Craft a colourful poster with a slogan promoting the importance of books and reading.

This was supplemented with engaging library discussions on the importance of World Book and Copyright Day. The students displayed interest and participated in all the activities,
