Norms for fixing fee

Norms followed for fixing fees, charged by the school are as per the guidelines given by the state government & CBSE.

It is commensurate with the infrastructure and facilities offered by the school. The school fee is fixed after considering several factors such as infrastructure and facilities provided to students, educational standards as prescribed by the state or competent authority, expenditure on administration and maintenance, staff salaries for teaching and non-teaching staff, reasonable salary increments and expenditure on students relative to the school's total income and necessary surplus for student development.

In addition, if the school offers extensive extracurricular programs, employs specialised staff or implements enhanced safety measures, these added amenities could also contribute to higher fees due to the increased costs involved.
