

Bal Bharati Public School, Navi Mumbai

Report on Harry Potter Week Celebration

Date : 31st July to 6th August

Ocassion : J K Rowling's and Harry Potter's Birthday

The school recently celebrated Harry Potter week with great enthusiasm marking the birthday of J K Rowling, the author and Harry Potter, her most famous creation.

In the library period, students were divided into four houses in accordance with the theme of the day, viz; Gryffindor, Slytherin, Ravenclaw and Hufflepuff. The houses competed with each other in different activities like Harry Potter quiz, Guess the character and discussions where the students debated on various themes and moral lessons from the Harry Potter series, to win points and lead their houses to victory. The winning house and best performers were gifted Harry Potter themed book marks to appreciate their enthusiasm and contribution to the event.

The success of Harry Potter week was largely due to the active participation of student volunteers from decorating the library with Hogwarts themed posters and banners to the zest shown by them to make it a memorable week.

The school library truly imbibed the spirit of Hogwarts. The students joyously and fervently celebrated one of the foremost literary wonders of the world and made the event a success.
