Title: Report on Geeta Chanting

Chinmaya Mission Geeta Chanting Competition of first round was held in our school premises on 22nd November 2024. Many children from classes Nursery to 12th participated enthusiastically by chanting different verses of "Bhagawad Geeta". Geeta Chanting helps the children to calm their mind, improve concentration, it also helps to improve their memory power and most important it helps the child to improve their pronunciation.
